For Pre-CanSkate, please note the following things to consider:

- Basic listening capabilities and ability to follow instructions at a level typical for a 3 to 5-year-old child
- Demonstrates the ability to respect authority figures.
- As parents are NOT ALLOWED on the ice, your child must feel comfortable about being away from you for 30 mins, having experience in a daycare/day home/playschool may help.

Please make sure to fill in the comments section during the registration process to identify any special needs, allergies or other valuable information. This is especially important for the younger skaters.

For StarSkate, be sure of what program you're registering for:

- You will receive an email with your skaters' program recommendation. If you are not sure, please email us before proceeding.

TGCA Fee Assistance Initiative

To reduce your program fees further, you may choose to work bingos at the Thorncliffe Greenview Community Association (see link on the Registration page: "TGCA Fee Assistance Initiative Information"). TGISC gets a limited number of bingos and they are offered on a first come, first serve basis.

IMPORTANT PAYMENT INFORMATION

1. IF YOU CHOOSE TO WORK BINGOS YOU MAY PICK THE PAYMENT OPTION TO "CONFIRM & PAY IN PERSON"

The TGISC Registrar will contact you to confirm the number of bingos you wish to work, decrease your invoice by the subsidized amount, and then you may pay with a credit card. This is done by clicking "Log in" at the top, right corner of the screen at tgiceskatingclub.com.

2. IF YOU CHOOSE TO NOT TO WORK BINGOS YOU WILL PICK THE PAYMENT OPTION TO "PAY BY CREDIT CARD"

If you have any questions, please email: registrar@tgiceskatingclub.com OR visit www.tgiceskatingclub.com for program details, schedules, fee info and more!

Thanks for supporting TGISC and we look forward to seeing you on the ice!
